ADEQUATE NOTICE OF MEETING

In accordance with P.L. 1975 Chapter 231, notice of tonight's meeting was mailed to The Record and The Ridgewood News on January 3, 2023. Notice of this meeting was also mailed to the Borough Clerk and was posted on the bulletin board of the Board of Education Office in the Administration Building on the same date. Copies of the procedures in effect for Regular Board Meetings are available for the public at tonight's meeting.

MISSION STATEMENT

The Glen Rock School District founded on principles of education, in partnership with a supportive community, provides an exceptional education to all students to cultivate resilient, responsible and engaged global citizens.

STATEMENT TO THE PUBLIC

Often times it may appear to members of our audience that the Board of Education takes action with very little comment and in many cases by unanimous vote. Before a matter is placed on the agenda at a public meeting, the administration has thoroughly reviewed the matter with the Superintendent of Schools. If the Superintendent of Schools is satisfied and Board of Education President concurs that the matter is ready to be presented to the Board of Education, it is then placed on the agenda at the next Board of Education meeting. The members of the Board work with the administration and the Superintendent of Schools to assure that they fully understand the matter. After the Committee of the Whole approves the matter, it is placed on the agenda for action at a public meeting. In rare instances, matters are presented to the Board of Education for discussion at the same meeting that final action may be taken.

- B. The Board's suspension or termination of this Agreement shall be without prejudice to, and with full reservation of, all other rights and remedies of the Board pursuant to this Agreement or as may exist at law or in equity, including but not limited to claims of errors and omissions and specific performance.
- C. Should the Board suspend or terminate this Agreement, the Provider agrees to cooperate and provide all information requested by the Board in connection with the completion of the Services. Notwithstanding anything to the contrary herein, the Provider shall only be obligated to cooperate with the Board and provide information to the Board to the extent that payment for said reasonably undisputed services has been made by the Board. In addition, while the Provider shall maintain liability for the services provided, any changes to the documents provided to the Board are the responsibility of the Board or others and the Board agrees to indemnify the Provider for changes to those documents that are made without the Provider's consent.
- D. The drawings, specifications, plans and other related documents prepared by the Provider in the course of its performance under the terms of this Agreement, including those in electronic media form, hard copy or otherwise, shall be the property of the Provider. However, the Provider grants a license to the Board to use such documents without the Provider's further consent for the design or completion of the project(s) for which they are intended. Accordingly, the Provider shall provide copies of same to the Board, upon the Board's request, in the event of this Agreement's termination and once payment to the Provider is made in full for all services. Any such payment to the Provider shall be without prejudice to the Board's ability to recover disputed fees. Any changes to the documents provided to the Board are the responsibility of the Board or others and the Board agrees to indemnify the Provider for changes to those documents that are made without the Provider's consent.
- E. If the Board fails to make payments to the Architect in accordance with this Agreement, the Architect may, at its option, upon providing the Board with seven (7) business day's written notice, suspend or terminate performance under this Agreement.

6. Indemnification. The Provider shall indemnify and hold harmless the Board, collectively and individually, and its agents, officials, representatives and employees from and against any and all damages, losses, or claims, including, but not limited to, reasonable attorney's fees, that arise as a result, in whole or in part, from (a) any intentional or negligent act, error, or omission or failure to perform the Services by the Provider or anyone performing the Services

on behalf of the Provider or (b) any breach of this Agreement or a breach of the implied covenant of good faith and fair dealing, by the Provider or anyone performing the Services on behalf of the Provider.

No later than the execution of this Agreement, and upon the Board's request from time to time, the Provider shall provide to the Board a certificate of insurance evidencing the coverage set forth above in (a) (b) and (c) from an insurance company authorized to do business in New Jersey and having an A.M. Best Rating of at least an "A-". The Provider shall also provide, upon the Board's reasonable request, full and complete copies of the insurance policies required by (a) (b) and (c) above.

11. Dispute Resolution.

A. Any and all claims, disputes or other matters in question between the Board and Provider arising out of or relating to the Agreement or alleged breach thereof, shall be subject to and determined by a court of competent jurisdiction venued in **Bergen County, New Jersey. The Provider hereby knowingly irrevocably waives its right to trial by jury in any action arising out of or relating to the Agreement. This waiver does not apply to personal injury actions or to any action in which another party, not bound by such a waiver, demands trial by jury. This waiver is knowingly, intentionally and voluntarily made by the Provider.** If a dispute arises between the Board and any entity or individual as to which the Board is bound to the arbitration or other dispute resolution method of such disputes and the dispute directly or indirectly relates to the Agreement, then the Provider agrees that the Provider can be joined as a party to such an arbitration with respect to matters related to such arbitration or other dispute resolution method. Any and all disputes which exist only between the Board and Provider, or among the Board, Provider and others as to which the Board is not bound to the arbitration of disputes, shall be subject to the provisions of this Section 11.

B. Prior to the commencement of any litigation in accordance with the provisions set forth in Paragraph 11(A) of this Agreement, the parties agree to meet in an effort to resolve the dispute.

Nothing contained herein shall preclude the Board from supplementing and/or amending the aforesaid notice as needed. Likewise, the Provider has a continuing obligation to advise the Board of any changes in the coverage available for the claim at issue, if any.

The parties agree that the Provider and anyone providing the Services on behalf of the Provider are an independent contractor and nothing in the Agreement shall be construed to establish an employer/employee, agency, joint venture or partnership arrangement between the parties. In discharging all duties and obligations hereunder, the Provider and anyone providing the Services on behalf of the Provider shall at all times remain in an independent contractor relationship with the Board. The Board assumes no responsibility for the payment of compensation, wages, benefits or taxes of any employees of the Provider.

Honorable President and Members
Of the Board of Trustees
Glen Rock Board of Education
620 Harristown Road
Glen Rock, NJ 07452

Dear Board Members:

We are pleased to confirm our understanding of the services we are to provide to the Glen Rock Board of Education for the fiscal year ending June 30, 2024.

Audit Scope and Objectives

We will audit the financial statements of the governmental activities, the business activities, each major fund and the aggregate remaining fund information, including the disclosures, which collectively comprise the basic financial statements of the Glen Rock Board of Education as of and for the fiscal year ending June 30, 2024. Accounting standards generally accepted in the United States of America (GAAP) provide for certain required supplementary information (RSI), such as management's discussion and analysis (MD&A), to supplement Glen Rock Board of Education's basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to Glen Rock Board of Education's RSI in accordance with auditing standards generally accepted in the United States of America (GAAS). These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance. The following RSI is required by GAAP and will be subjected to certain limited procedures, but will not be audited:

- Management's Discussion and Analysis
- Budgetary Comparison Schedules
- GASB-required Supplementary Pension Information
- GASB-required Supplementary Other Post-Employment Benefits Information

Audit Scope and Objectives (continued)

We have also been engaged to report on supplementary information other than RSI that accompanies the Glen Rock Board of Education's financial statements. We will subject the following supplementary information to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS and we will provide an opinion on it in relation to the financial statements as a whole in a report combined with our auditor's report on the financial statements:

- Schedules of expenditures of federal awards and state financial assistance
- Combining and Individual Non-Major Fund Statements

The following other information accompanying the financial statements will not be subjected to the auditing procedures applied in our audit of the financial statements, and our auditor's report will not provide an opinion or any assurance on that other information:

- Introductory and Statistical Sections
- Other Financial Schedules

The objectives of our audit are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and issue an auditor's report that includes our opinions about whether your financial statements are fairly presented, in all material respects, in conformity with GAAP, and report on the fairness of the supplementary information referred to in the second paragraph when considered in relation to the financial statements as whole. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guaranteed that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement of a reasonable user made based on the financial statements. The objectives also include reporting on:

- Internal control over financial reporting and compliance with provision of laws, regulations, contracts and award agreements, noncompliance with which could have a material effect on the financial statements in accordance with *Government Auditing Standards*.
- Internal control over compliance related to major programs and an opinion (or disclaimer of opinion) on compliance with federal and state statutes, regulations, and the terms and conditions of federal awards and state financial assistance that could have a direct and material effect on each major program in accordance with the Single Audit Act Amendments of 1996 and Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and New Jersey Circular 15-08, *Single Audit Policy for Recipients of Federal Grants, State Grants and State Aid*.

Auditor's Responsibilities for the Audit of the Financial Statements and Single Audit

We will conduct our audit in accordance with GAAS; the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the Single Audit Act Amendments of 1996; the provisions of the Uniform Guidance and New Jersey Circular 15-08, and will include tests of accounting records, a determination of major program(s) in accordance with Uniform Guidance and New Jersey Circular 15-08, and other procedures we consider necessary to enable us to express such opinions. As part of an audit in accordance with GAAS, *Government Auditing Standards*, we exercise professional judgement and maintain professional skepticism throughout the audit.

We will evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management. We will also evaluate the overall presentation of the financial statements, including the disclosures, and determine whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. We will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the school district or to acts by management or employees acting on behalf of the district. Because the determination of waste and abuse is subjective, *Government Auditing Standards* do not expect auditors to perform specific procedures to detect waste or abuse in financial audits nor do they expect auditors to provide reasonable assurance of detecting waste or abuse.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is an unavoidable risk that some material misstatements or noncompliance may not be detected by us, even though the audit is properly planned and performed in accordance with GAAS and *Government Auditing Standards*. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements or major programs. However, we will inform the appropriate level of management of any material errors, any fraudulent financial reporting, or misappropriation of assets that come to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential. We will include such matters in the reports required for a Single Audit. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

We will also conclude, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about whether the school district's ability to continue as a going concern for a reasonable period of time.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, and direct confirmation of receivables and certain assets and liabilities by correspondence with selected individuals, funding sources, creditors, and financial institutions. We will also request written representations from your attorneys as part of the engagement, and they may bill you for responding to this inquiry.

Auditor's Responsibilities for the Audit of the Financial Statements and Single Audit (continued)

We are required to notify you of significant risks of material misstatement identified as part of our audit planning. As a result of the audit planning not being undertaken for this audit as of the date of this engagement letter, we will provide you with the significant risks of material misstatement, if any, in writing upon the completion of audit planning.

Audit Procedures – Internal Control

We will obtain an understanding of the school district and its environment, including internal control relevant to the audit, sufficient to identify and assess the risks of material misstatement of the financial statements, whether due to error or fraud, and to design and perform audit procedures responsive to those risks and obtain evidence that is sufficient and appropriate to provide a basis for our opinions. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*.

As required by U.S. Uniform Guidance and New Jersey Circular 15-08, we will perform tests of controls over compliance to evaluate the effectiveness of the design and operation of controls that we consider relevant to preventing or detecting material noncompliance with compliance requirements applicable to each major federal and state award program. However, our tests will be less in scope than would be necessary to render an opinion on those controls and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to U.S. Uniform Guidance and New Jersey Circular 15-08.

An audit is not designed to provide assurance on internal control or to identify significant deficiencies or material weaknesses. Accordingly, we will express no such opinion. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards, *Government Auditing Standards*, U.S. Uniform Guidance, and New Jersey Circular 15-08.

Audit Procedures—Compliance

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of the Glen Rock Board of Education's compliance with provisions of applicable laws, regulations, contracts and agreements, including grant agreements. However, the objective of those procedures will not be to provide an opinion on overall compliance, and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

Audit Procedures—Compliance (continued)

U.S. Uniform Guidance and New Jersey Circular 15-08 requires that we also plan and perform the audit to obtain reasonable assurance about whether the auditee has complied with federal and state statutes, regulations and the terms and conditions of federal and state awards applicable to major programs. Our procedures will consist of tests of transactions and other applicable procedures described in the *U.S. OMB Compliance Supplement* and *New Jersey State Aid/Grant Compliance Supplement* for the types of compliance requirements that could have a direct and material effect on each of the Glen Rock Board of Education's major programs. For federal and state programs that are included in the U.S. Office of Management and Budget (OMB) Compliance Supplement and the New Jersey OMB Circular 15-08 State Aid/Grant Compliance Supplement, our compliance and internal control procedures will relate to the compliance requirements that the U.S. Office of Management and Budget (OMB) Compliance Supplement and the New Jersey OMB Circular 15-08 State Aid/Grant Compliance Supplement identifies as being subject to audit. The purpose of these procedures will be to express an opinion on the Glen Rock Board of Education's compliance with requirements applicable to each of its major programs in our report on compliance issued pursuant to U.S. Uniform Guidance and New Jersey Circular 15-08.

Other Services

We will also assist in preparing the financial statements, journal entries other than proposed audit entries, schedules of expenditures of federal awards and state financial assistance, and related notes of the Glen Rock Board of Education in conformity with accounting principles generally accepted in the United States of America, the U.S. Uniform Guidance and New Jersey Circular 15-08 based on information provided by you. These non-audit services do not constitute an audit under *Government Auditing Standards* and such services will not be conducted in accordance with *Government Auditing Standards*. We will perform the services in accordance with applicable professional standards. The other services are limited to the preparation of the financial statements, journal entries other than proposed audit entries, schedules of expenditures of federal awards and state financial assistance, and related notes, as previously defined. We, in our sole professional judgment, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming management responsibilities.

Responsibilities of Management for the Financial Statements and Single Audit

Our audit will be conducted on the basis that you acknowledge and understand your responsibility for (1) designing, implementing, establishing and maintaining effective internal controls relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error, including internal controls over federal and state awards, and for evaluating and monitoring ongoing activities, to help ensure that appropriate goals and objectives are met; (2) following laws and regulations; (3) ensuring that there is reasonable assurance that government programs are administered in compliance with compliance requirements; and (4) ensuring that management and financial information is reliable and properly reported. Management is also responsible for implementing systems designed to achieve compliance with applicable laws, regulations, contracts, and grant agreements. You are also responsible for the selection and application of accounting principles; for the preparation and fair presentation of the financial statements, schedules of expenditures of federal awards and state financial assistance, and all accompanying information in conformity with accounting principles generally accepted in the United States of America; and for compliance with applicable laws and regulations (including federal and state statutes) and the provisions of contracts and grant agreements (including award agreements). Your responsibilities also include identifying significant contractor relationships in which the contractor has responsibility for program compliance and for the accuracy and completeness of that information.

Responsibilities of Management for the Financial Statements and Single Audit (continued)

You are also responsible for making drafts of financial statements, schedules of expenditures of federal awards and state financial assistance, all financial records, and related information available to us and for the accuracy and completeness of that information (including information from outside of the general and subsidiary ledgers). You are also responsible for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, identification of all related parties and all related-party relationships and transactions and other matters, (2) access to personnel, accounts, books, records, supporting documentation, and other information as needed to perform an audit under U.S. Uniform Guidance and New Jersey Circular 15-08, (3) additional information that we may request for the purpose of the audit, and (4) unrestricted access to persons within the school district from whom we determine it necessary to obtain audit evidence. At the conclusion of our audit, we will require certain written representations from you about the financial statements; schedules of expenditures of federal awards and state financial assistance; federal award and state financial assistance programs; compliance with laws, regulations, contracts, and grant agreements; and related matters.

Your responsibilities include adjusting the financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the school district involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the school district received in communications from employees, former employees, grantors, regulators, or others. In addition, you are responsible for identifying and ensuring that the school district complies with applicable laws, regulations, contracts, agreements, and grants. Management is also responsible for taking timely and appropriate steps to remedy fraud and noncompliance with provisions of laws, regulations, contracts, and grant agreements that we report. Additionally, as required by U.S. Uniform Guidance and New Jersey Circular 15-08, it is management's responsibility to evaluate and monitor noncompliance with federal and state statutes, regulations and the terms and conditions of federal awards and state financial assistance; take prompt action when instances of noncompliance are identified, including noncompliance identified in audit findings; promptly follow up and take corrective action on reported audit findings; and prepare a summary schedule of prior audit findings and a separate corrective action plan. The summary schedule of prior audit findings and the corrective action plan should be available for our review at the commencement of the audit field work.

Responsibilities of Management for the Financial Statements and Single Audit (continued)

You are responsible for identifying all federal awards and state financial assistance received and understanding and complying with the compliance requirements and for the preparation of the schedules of expenditures of federal awards and state financial assistance (including notes and noncash assistance received, and COVID-19-related concepts, such as lost revenues) in conformity with U.S. Uniform Guidance and New Jersey Circular 15-08. You agree to include our report on the schedules of expenditures of federal awards and state financial assistance in any document that contains and indicates that we have reported on the schedules of expenditures of federal awards and state financial assistance. You also agree to include the audited financial statements with any presentation of the schedules of expenditures of federal awards and state financial assistance that includes our report thereon. Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for the presentation of the schedules of expenditures of federal awards and state financial assistance in accordance with U.S. Uniform Guidance and New Jersey Circular 15-08; (2) that you believe the schedules of expenditures of federal awards and state financial assistance, including its form and content, is stated fairly in accordance with U.S. Uniform Guidance and New Jersey Circular 15-08; (3) that the methods of measurement or presentation have not changed from those used in the prior period (or if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the schedules of expenditures of federal awards and state financial assistance.

You are also responsible for the preparation of the other supplementary information, which we have been engaged to report on, in conformity with U.S. generally accepted accounting principles. You agree to include our report on the supplementary information in any document that contains and indicates that we have reported on the supplementary information. You also agree to include the audited financial statements with any presentation of the supplementary information that includes our report thereon. Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the supplementary information in accordance with GAAP; (2) you believe the supplementary information, including their form and content, are fairly presented in accordance with GAAP; (3) the methods of measurement or presentation have not changed from those used in the prior period (or if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the supplementary information.

Management is responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. Management is also responsible for identifying and providing report copies of previous financial audits, attestation engagements, performance audits or other studies related to the objectives discussed in the Audit Scope and Objectives section of this letter. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits or studies. You are also responsible for providing management's views on our current findings, conclusions and recommendations, as well as your planned corrective actions for the report, and the timing and format providing for that information.

Responsibilities of Management for the Financial Statements and Single Audit (continued)

With regard to including the auditor's report in an exempt offering document, you agree that the aforementioned auditors report, or reference to Lerch, Vinci & Bliss, LLP, will not be included in any such offering document without our prior permission or consent. Any agreement to perform work in connection with the exempt offering document, including an agreement to provide permission or consent, will be a separate engagement.

With regard to an exempt offering document with which Lerch, Vinci & Bliss, LLP is not involved, you agree to clearly indicate in the exempt offering document that Lerch, Vinci & Bliss, LLP is not involved with the contents of such offering document.

With regard to the electronic dissemination of audited financial statements, including financial statements published electronically on your website and on the Municipal Securities Rulemaking Board's Electronic Municipal Market Access Data Port, you understand that electronic sites are a means to distribute information and, therefore, we are not required to read the information contained in these sites or to consider the consistency of other information in the electronic site with the original document.

You will be required to acknowledge in the management representation letter our assistance with the preparation of the financial statements, journal entries other than proposed audit entries, schedules of expenditures of federal awards and state financial assistance, and related notes that you have reviewed and approved the financial statements, schedules of expenditures of federal awards and state financial assistance, and related notes prior to their issuance and have accepted responsibility for them. Further, you agree to oversee the nonaudit services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of those services; and accept responsibility for them.

MSRB Municipal Advisor Rule

The Securities and Exchange Commission (the "SEC") adopted a rule requiring "municipal advisors" to register with the Securities and Exchange Commission. A "municipal advisor" is someone that "provides advice to or on behalf of a municipal entity with respect to municipal financial products or the issuance of municipal securities, including advice with respect to the structure, timing, terms, and other similar matters concerning such financial products or issues." Lerch, Vinci & Bliss, LLP is not a registered Municipal Advisor and is not subject to the fiduciary duty established in Section 15B(c)(1) of the Exchange Act with respect to the municipal financial product or issuance of municipal securities. Accordingly, pursuant to the new Municipal Advisor rule and absent the available exception to the rule discussed below, Lerch, Vinci & Bliss, LLP cannot provide the District with advice or recommendations regarding the issuance of municipal securities.

MSRB Municipal Advisor Rule (continued)

Under the Municipal Advisor rule, the District may continue to receive advice from its auditor, bond counsel and other professionals, provided both the District and the professional satisfy the "Issuer Has Hired an Independent Municipal Advisor Exemption". First, as municipal issuer, the Board of Education needs to have (i) engaged an independent registered municipal advisor and (ii) made such engagement known in writing to the person seeking to rely on the exemption and/or post this declaration on the Board of Education's web site. Second, the person relying on this exemption, such as us, your bond counsel and others, must:

1. Obtain a written representation from the District that it is represented by, and will rely on the advice of, an independent registered municipal advisor. The written representation from the District may be a declaration posted on the District's web site as long as the posting states that the representation is intended to establish the independent municipal advisor exemption pursuant to the Municipal Advisor rule;
2. Provide written disclosure to the District and its independent registered municipal advisor that, by obtaining such representation from the District, the firm is not a municipal advisor and is not subject to the fiduciary duty established in Section 15B(c)(1) of the Exchange Act with respect to the municipal financial product or issuance of municipal securities; and
3. Provide the written disclosure described above at a time and in a manner reasonably designed to allow the District to assess the material incentives and conflicts of interest that such person may have in connection with the municipal advisory activities.

If the District has engaged the services of a registered Municipal Advisor, we encourage you to notify us in accordance with paragraph 1 above. We have already provided to you in this letter the disclosure contained in paragraph 2 above, which we trust is being provided to you in the time and manner set forth in paragraph 3 above. If the District has not engaged the services of a registered Municipal Advisor, or has, but has not satisfied the requirements of the "Issuer Has Hired an Independent Municipal Advisor Exemption", then any services performed by us in connection with the issuance of municipal securities shall be performed pursuant to the Statements on Standards for Attestation Engagements and related Attestation Interpretations as issued by the American Institute of Certified Public Accountants, then currently in effect.

We will coordinate with you the electronic submission and certification. If applicable, we will provide copies of our report for you to include with the reporting package you will submit to pass-through entities. The Data Collection Form and the reporting package

must be submitted within the earlier of 30 days after receipt of the auditor's reports or nine months after the end of the audit period.

Reporting

We will issue written reports upon completion of our audit of the Glen Rock Board of Education. Our reports will be addressed to the Board of Trustees of the Glen Rock Board of Education. Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinions, add a separate section, or add an emphasis-of-matter or other-matter paragraph to our auditor's report, or if necessary, withdraw from this engagement. If our opinions are other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed an opinion, we may decline to express opinions or issue reports, we may withdraw from this engagement.

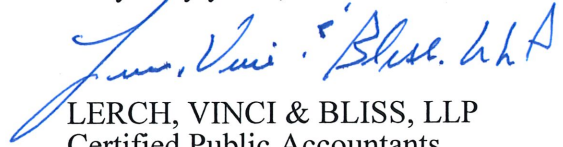

The *Government Auditing Standards* report on internal control over financial reporting and on compliance and other matters will state that (1) the purpose of the report is solely to describe the scope of testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance, and (2) the report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. The Uniform Guidance and New Jersey Circular 15-08 report on internal control over compliance will state that the purpose of the report on internal control over compliance is solely to describe the scope of testing of internal control over compliance and the results of that testing based on the requirements of Uniform Guidance and New Jersey Circular 15-08. Both reports will state that the report is not suitable for any other purpose.

Government Auditing Standards requires that we provide you with a copy of our most recent external peer review report and any letter of comment, and any subsequent peer review reports and letters of comment received during the period of the contract. Our September 30, 2021 peer review report accompanies this letter.

The parties to this Agreement agree to incorporate into this Agreement the mandatory language of N.J.S.A. 10:5-31 et seq. (N.J.A.C. 17:27), a copy of which is attached hereto as Exhibit "A".
