ADEQUATE NOTICE OF MEETING

In accordance with P.L. 1975 Chapter 231, notice of tonight's meeting was mailed to The Record and The Ridgewood News on January 9, 2024. Notice of this meeting was also mailed to the Borough Clerk and was posted on the bulletin board of the Board of Education Office in the Administration Building on the same date. Copies of the procedures in effect for Regular Board Meetings are available for the public at tonight's meeting.

MISSION STATEMENT

The Glen Rock School District founded on principles of education, in partnership with a supportive community, provides an exceptional education to all students to cultivate resilient, responsible and engaged global citizens.

STATEMENT TO THE PUBLIC

Often times it may appear to members of our audience that the Board of Education takes action with very little comment and in many cases by unanimous vote. Before a matter is placed on the agenda at a public meeting, the administration has thoroughly reviewed the matter with the Superintendent of Schools. If the Superintendent of Schools is satisfied and Board of Education President concurs that the matter is ready to be presented to the Board of Education, it is then placed on the agenda at the next Board of Education meeting. The members of the Board work with the administration and the Superintendent of Schools to assure that they fully understand the matter. After the Committee of the Whole approves the matter, it is placed on the agenda for action at a public meeting. In rare instances, matters are presented to the Board of Education for discussion at the same meeting that final action may be taken.

2423 BILINGUAL AND ESL EDUCATION

The Board of Education will provide programs of bilingual education, English as a second language (ESL), and culturally and linguistically responsive, researched-based, and effective language instruction educational programs (LIEP) to all multilingual learners (ML) as required by law and rules of the New Jersey State Board of Education. MLs are those students whose primary language is not English and who have varying degrees of English language proficiency in any one of the domains of speaking, reading, writing, or listening and is synonymous with limited English-speaking ability pursuant to N.J.S.A. 18A:35-15 through 18A:35-26.1 and N.J.A.C. 6A:15-1.1 et seq.

The school district shall use, at the time of enrollment, the multi-step process to identify MLs enrolled in the district in accordance with N.J.A.C. 6A:15-1.3. The district shall administer to each student enrolled in the district the Statewide home-language survey (HLS) to determine which students in preschool to twelfth-grade have a primary language(s) other than English and, therefore, may be a ML.

The district shall then determine the English language proficiency of all Kindergarten to twelfth-grade students who are found eligible through N.J.A.C. 6A:15-1.3(a)1 or (a)2 and whose primary language is other than English by administering an English language proficiency (ELP) assessment. Students who do not meet the New Jersey Department of Education (Department)-established cut score standard on the ELP assessment shall be considered MLs and shall be offered entry into the district's LIEP. Preschool students who are identified as having a primary language other than English shall be identified as MLs. Prior to the start of their Kindergarten year, the district shall administer an ELP assessment to preschool MLs as part of the screener process to determine the ML's English language proficiency level. The district shall also use age-appropriate methodologies to identify preschool MLs to determine their individual language development needs.

The district shall provide to all preschool to twelfth-grade MLs enrolled in the district pursuant to N.J.S.A. 18A:7F-46 and N.J.S.A. 18A:7F-54 with equal educational opportunities and all educational activities and programs in accordance with the provisions of N.J.A.C. 6A:15-1.4.

The school district providing a LIEP shall submit a plan every three years to the Department in accordance with the provisions of N.J.A.C. 6A:15-1.5.

Students enrolled in a LIEP shall have equal educational opportunities, including full access to educational opportunities and services available to other students in the school district pursuant to N.J.A.C. 6A:15-1.6.

As part of the district- and school-level plans for professional development requirements pursuant to N.J.A.C. 6A:9C-4.2, the Board shall describe professional learning for bilingual, ESL, and academic content teaching staff members whose classroom instruction is in English; administrators who supervise bilingual/ESL programs; and administrators and any personnel who observe and evaluate teaching staff members of MLs in accordance with the provisions of N.J.A.C. 6A:15-1.7.

All teachers of bilingual programs shall hold a valid New Jersey instructional certificate with an endorsement for the appropriate grade level and/or academic content area and a standard certificate with a bilingual/bicultural education endorsement, pursuant to N.J.S.A. 18A:6-38 et seq., N.J.S.A. 18A:35-15 to 26, and N.J.A.C. 6A:9B-11.5 in accordance with the provisions of N.J.A.C. 6A:15-1.8.

Students identified as MLs shall be assessed annually using English Language Placement (ELP) assessments to measure the progress toward English language proficiency and to determine readiness for exiting the LIEP in accordance with the provisions of N.J.A.C. 6A:15-1.9. Students who meet the criteria for Statewide alternate assessments, pursuant to N.J.A.C. 6A:14-4.10(a)2., shall be assessed annually using an alternate ELP assessment. Every student participating in a bilingual, ESL, or English language services program established pursuant to N.J.S.A. 18A:35-15 et seq. shall be entitled to continue such participation for a period of three years pursuant to N.J.S.A. 18A:35-19.

MLs enrolled in the LIEP shall be placed in a classroom(s) where the primary language of instruction is English when the ML has demonstrated readiness to exit a LIEP first by achieving the Department-established cut score on an ELP or alternate ELP assessment. The student's readiness shall be further assessed by the use of a Department-established English language observation form that considers, at a minimum: classroom performance; the student's reading level in English; the observations of the teaching staff members responsible for the educational program of the student; and performance on achievement tests in English.

In accordance with the provisions of N.J.S.A. 18A:35-22.1, a parent may remove a student who is enrolled in a bilingual education program at any time; except that during the first three years of a student's participation in a bilingual education program, a parent may only remove the student at the end of each school year.

If a parent wishes to remove the student prior to the end of each school year, the removal shall be approved by the Executive County Superintendent. If the Executive County Superintendent determines the student should remain in the bilingual education program until the end of the school year, the parent may appeal the Executive County Superintendent's decision to the Commissioner of Education or designee pursuant to the provisions of N.J.S.A. 18A:35-19.2.

Newly exited students who are not academically progressing in classes where English is the primary language of instruction may be considered for reentry to a LIEP in accordance with the provisions of N.J.A.C. 6A:15-1.9(g)1 through (g)5.

All MLs shall satisfy requirements for high school graduation pursuant to N.J.A.C. 6A:8-5.1(a) and Policy 5460 in accordance with the provisions of N.J.A.C. 6A:15-1.10.

All Kindergarten through twelfth-grade LIEPs shall be conducted within classrooms within the school district pursuant to N.J.S.A. 18A:35-20 in accordance with the provisions of N.J.A.C. 6A:15-1.11.

The parent of a ML shall be notified in accordance with the provisions of N.J.A.C. 6A:15-1.12 that their child has been identified as eligible for placement in a LIEP. Notice shall be in writing and in the language in which the parent possesses a primary speaking ability, and in English. The notice must also include the provisions detailed at N.J.A.C. 6A:15-1.12(b). Progress reports shall be written in English and in the primary language spoken by the parent of students enrolled in the LIEP.

Pursuant to N.J.A.C. 6A:15-1.13, with approval of the Executive County Superintendent on a case-by-case basis, the Board may join with another district Board to provide a LIEP and an individualized learning opportunity, pursuant to N.J.A.C. 6A:8-5.1(a)2, to a ML who chooses to utilize it to meet the 120-credit graduation requirement, in whole or in part.

The Superintendent or designee shall provide for the maximum practicable engagement of the parent of MLs in the development and review of program objectives and dissemination of information to and from the Boards and communities served by the LIEP in accordance with the provisions of N.J.A.C. 6A:15-1.14. With the exception of a Board implementing an English language services or ESL program, each Board implementing a LIEP shall establish a parent advisory committee on bilingual education of which the majority membership shall be the parents of MLs.

2431.4 PREVENTION AND TREATMENT OF SPORTS-RELATED
CONCUSSIONS AND HEAD INJURIES

A concussion is a traumatic brain injury caused by a blow or motion to the head or body that disrupts the normal functioning of the brain and can cause significant and sustained neuropsychological impairments including, but not limited to, problem solving, planning, memory, and behavioral problems. In order to ensure safety, it is imperative that student-athletes participating in a program of athletic competition, coaches, and parents are educated about the nature and treatment of sports-related concussions and other head injuries. Allowing a student-athlete to return to a program of athletic competition before recovering from a concussion increases the chance of a more serious brain injury.

This Policy and Regulation 2431.4 are consistent with the requirements of N.J.S.A. 18A:40-41.1 et seq., the New Jersey Department of Education Model Policy and Guidance for Districts on the Prevention and Treatment of Sports-Related Head Injuries and Concussions, and the recommendations developed by the Center for Disease Control and Prevention (CDC).

For the purpose this Policy and Regulation 2431.4, “program of athletic competition” shall include any competition or practice in high school interscholastic athletic programs, middle school interscholastic athletic programs where school teams or squads play teams or squads from other school districts, intramural athletic programs within a school or among schools in the district, and any cheerleading program or activity in the school district.

For the purpose of this Policy and Regulation 2431.4, “student-athlete” shall mean any student enrolled in a public or nonpublic school in New Jersey who is a participant in a program of athletic competition organized by the school district.

The staff member supervising the program of athletic competition shall take steps to prevent concussions and head injuries; ensure student-athletes have appropriate supervision and safety equipment; and ensure student-athletes avoid unsafe conditions.

Prevention and Treatment of Sports-Related
Concussions and Head Injuries

School staff members supervising programs of athletic competition; licensed athletic trainers; nurses; and school/team physicians shall be trained on the possible signs or symptoms of a concussion. Any possible signs or symptoms of a concussion shall be reported by the student-athlete or an observer to the staff member supervising the program of athletic competition; athletic trainer; school/team physician; school nurse; and/or parent.

The district will adopt an Interscholastic Head Injury Training Program to be completed by the school/team physician, licensed athletic trainer, coaches, and other appropriate district personnel pursuant to N.J.S.A. 18A:40-41.2.

Pursuant to N.J.S.A. 18A:40-41.4, a student-athlete who participates in a program of athletic competition and who sustains or is suspected of having sustained a concussion or other head injury while engaged in a program of athletic competition shall be immediately removed from the program of athletic competition by the staff member supervising the program or athletic competition. A student-athlete who was removed from a program of athletic competition shall not participate in further programs of athletic competition until the student-athlete: is examined by a physician or other licensed healthcare provider trained in the evaluation and management of concussions; receives written medical clearance from a physician trained in the evaluation and management of concussions to return to a program of athletic competition; and progresses through the steps outlined in the CDC's Six-Step Return to Play Progression. The student-athlete's written medical clearance shall be reviewed and approved by the school physician.

School personnel shall contact the parent of a student-athlete to inform them of a suspected sports-related concussion or head injury as soon as possible after the incident. School personnel shall provide the parent with a checklist or copy of the return to play protocols outlined in this Policy and Regulation 2431.4.

The student-athlete may not begin the CDC's Six-Step Return to Play Progression until the student-athlete receives a medical examination, provides the required written medical clearance, and the medical clearance is approved by the school physician.

Some symptoms may require immediate medical treatment. Emergency medical responders (911) shall be called if the student-athlete is experiencing a deterioration of symptoms; loss of consciousness; direct neck pain associated with the injury; or any other symptom that may require immediate medical treatment.

The district shall obtain a signed acknowledgement of receipt by the student-athlete and their parent in accordance with the provisions of N.J.S.A. 18A:40-41.10.

The Board shall review this Policy and Regulation 2431.4 annually and update as necessary to ensure it reflects the most current information available on the prevention, risk, and treatment of sports-related concussions and head injuries pursuant to N.J.S.A. 18A:40-41.3.

The district shall provide a copy of this Policy and Regulation 2431.4 to all youth sports team organizations that operate on school grounds. In accordance with the provisions of N.J.S.A. 18A:40-41.5, the district shall not be liable for the injury or death of a person due to the action or inaction of persons employed by, or under contract with, a youth sports team organization that operates on school grounds, if the youth sports team organization provides the school district proof of an insurance policy of an amount of not less than \$50,000 per person, per occurrence insuring the youth sports team organization against liability for any bodily injury suffered by a person and a statement of compliance with this Policy and Regulation 2431.4.

Pursuant to N.J.S.A. 18A:40-41.5 and for the purpose of this Policy, a “youth sports team organization” means one or more sports teams organized pursuant to a nonprofit or similar charter or which are member teams in a league organized by or affiliated with a county or municipal recreation department.
