Open house 9am– 5pm

Community members of all ages are invited to join us for an exciting day filled with activities focusing on maker culture.

Teen Volunteers Needed!

We need YOU to demonstrate our maker tools! Come in for a one-hour training session before March 16th to explore Little Bits, Ozobots, sewing machines, Hue Animation Studio, and many more tools. Then, sign up for a time slot to share your skills at NJ Makers Day. Further practice sessions are encouraged.
