Parents are warmly welcomed to a workshop to learn about our balanced literacy program. During the workshop, you will learn about:

- The impact of the new Common Core School Standards on our curriculum;
- The new resources that are available to our teachers and students to improve reading and writing skills;
- Exposure to typical classroom activities;
- Ways to help your child improve their literacy skills; and
- Opportunities to ask questions about the program.

The Committee invites and welcomes grades K-5 parents and guardians to this informative session as we work to strengthen instruction and improve the reading and writing skills of our students.

Since this program is geared only for parents and guardians, children may not attend. The Central School Auditorium has limited seating; therefore, please R.S.V.P. by returning the below form to your classroom teacher by November 28th.

Thank you!
