Appendix X – Sworn Contractor Certification Requirements for **both Bidder and Major Subcontractors**.

Appendix Y – Exhibit E-2: Form of Contractor Certification and Consent [Not required].

Appendix Z – Supplemental Conditions: Educational Facilities Construction [Not required].

Note:

Bidders are advised to review the Bidder's Checklist above carefully to ensure that the Bid Submission package includes all mandatory attachments, and that those forms, documents and affidavits requiring signature have been signed, and further, that those documents requiring a Notarized Signature have been duly executed with the Notary's signature and seal.

Many attachments are mandated by law to be included with the bid submission, and failure to include certain ones of them cannot be repaired after bids have been opened. This is why the Bidder's Checklist should be checked with care.

However, please note that some appendices may be requested to accompany the bid, but are not mandated by law to be attached to the bid at time of submission. In such cases listed below, the requested documents still must be provided to the Owner prior to award of contract. Since the Bidder may not be fully aware of the Owner's intended date for resolving to award the contract, The Board of Education is requesting the provision of such documents with the Bid, so that Bidders can assure themselves that they have complied with the legal deadline for sure. Bids may not be rejected solely for lack of those exhibits listed below:

Appendix N1 – Contractor Registration Certificate (Department of Labor, Division of Wage and Hour Compliance) Sample certificate enclosed. Contractor may provide copy of originals with bid submission (**for both Bidder and ALL Subcontractors**), but must submit the Certificate prior to the date of contract award, confirming that the Registration was in effect on the date of the bid submission.

Appendix N2 – Business Registration Certificate. Sample certificate enclosed. Contractor may provide copies of original documents as part of bid submission **for both Bidder and ALL Subcontractors**, but must submit the Certificate prior to the date of contract award, confirming that the Registration was in effect on the date of the bid submission.

Post bid submittals:

In addition to Appendices N1 and N2 listed above, which may be submitted post bid, but still prior to award of contract, the successful bidder must submit, prior to award of contract, a Certification of Non-Debarment for Federal Government Contracts per N.J.S.A. 52:32-44.1 (P/L/ 2019, c.406). The required Certification form may be obtained from the District's Business Administrator. It must be completed, signed, and submitted prior to award of contract.

This Certification of Non-Debarment for Federal Government Contracts is not the same as Appendix S in this Section, which is to be submitted with the bid by all bidders. This post-bid Certification of Non-Debarment by the successful bidder discloses information on those persons or entities having a controlling interest (more than 50% ownership) in the bidder. It also contains controlling ownership information on any affiliated companies owned or controlled by the bidder or its owning or controlling entities. Submittal by the successful bidder, and review of the completed Certification by the District are both required prior to award of contract to the successful bidder.

APPENDIX T - ASBESTOS ACKNOWLEDGEMENT FORM

TO ALL CONTRACTORS/WORKERS

Pursuant to AHERA (Asbestos Hazard Emergency Response Act) Regulations, you are hereby informed that the Owner has conducted an inspection of its buildings for asbestos containing building materials. A Management Plan has been developed and approved. The plan identifies asbestos containing building materials, assesses their friability (the potential to be crumbled or reduced to powder by hand pressure), and recommends action based upon the potential release of asbestos fibers.

You are hereby informed that you have the right to inspect the Management Plan prior to the commencement of your work. You are also directed to inform the Owner if you are going to be working in an area that may cause you to disturb any existing asbestos containing building materials.

Your signature below acknowledges that you have been informed prior to the commencement of work that you have been made aware of your rights under the AHERA Regulations. Each Prime Contractor shall notify his subcontractors of the above notification.

C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM

Contractor Instructions, amended for Boards of Education pursuant to N.J.A.C. 6A:23A-6.3

Pursuant to N.J.A.C. 6A:23A-6.3, business entities (contractors) receiving contracts from boards of education are subject to the provisions of P.L. 2005, c. 271, s.2 (N.J.S.A. 19:44A-20.26). This law provides that the contractor shall disclose contributions to:

- any State, county, or municipal committee of a political party
- any legislative leadership committee
- any continuing political committee (a.k.a., political action committee)
- any candidate committee of a candidate for, or holder of, an elective office:
 - of the public entity awarding the contract
 - of that county in which that public entity is located
 - of another public entity within that county, or
 - of a legislative district in which that public entity is located or, when the public entity is a county, of any legislative district which includes all or part of the county

The disclosure must list reportable contributions to any of the committees that exceed \$300 per election cycle that were made during the 12 months prior to award of the contract. See N.J.S.A. 19:44A-8 and 19:44A-16 for more details on reportable contributions.

The enclosed list of agencies is intended to assist the Contractor in identifying the public agencies whose elected officials or candidate committees are affected by the disclosure requirement. It is the Contractor's responsibility to identify the specific committees to which contributions have been made and need to be disclosed. The disclosed information may exceed the minimum requirement.

N.J.S.A. 19:44A-20.26 itemizes the parties from whom contributions must be disclosed when a business entity is not a natural person. This includes the following:

- individuals with an "interest" ownership or control of more than 10% of the profits or assets of a business entity or 10% of the stock in the case of a business entity that is a corporation for profit
- all principals, partners, officers, or directors of the business entity or their spouses
- any subsidiaries directly or indirectly controlled by the business entity
- IRS Code Section 527 New Jersey based organizations, directly or indirectly controlled by the business entity and filing as continuing political committees (PACs).

When the business entity is a natural person, "a contribution by that person's spouse or child, residing therewith, shall be deemed to be a contribution by the business entity." [N.J.S.A. 19:44A-20.26(b)] The contributor must be listed on the disclosure.

Any business entity that fails to comply with the disclosure provisions shall be subject to a fine imposed by ELEC in an amount to be determined by the Commission which may be based upon the amount that the business entity failed to report.
